School Description

Twin Oaks Elementary School believes all students can, and will, achieve high levels of learning. Our mission is to maintain a positive, safe and orderly learning environment where academic excellence is the standard, diversity is valued, and all children reach their full potential as students and as people. The staff of Twin Oaks Elementary School, in partnership with parents and community, is committed to developing responsible, resourceful, life-long learners in an atmosphere of mutual respect, pride, and cooperation. In accomplishing this mission, all students will acquire the knowledge, skills, and attitudes to be successful in school and beyond.

The Twin Oaks staff has high expectations for all students. We are committed to establishing a learning environment that is safe, inclusive, stimulating and motivating. Our staff is committed to the pursuit of excellence and works hard to ensure all students are successful. We encourage parental involvement and value the partnership between home and school. Our goal is for each student to experience a sense of pride and accomplishment.

Major Achievements:

Californai Distinguished School - 2002

National Blue Ribbon - 2004

Title I Academic Achievement Award - 2002, 2003, 2004

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Reading and Writing:

Students receive a standards-based curriculum designed to “help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California’s vision that all students graduate from our public-school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy.” ELA CCSS

Students use a variety of instructional materials in ELA to meet these instructional goals.

ELA Supplemental Instructional Materials

Benchmark Steps to Advance

K-5 Benchmark Universe, digital library, and resources

Fountas & Pinnell Guided Reading Handbook

Enterprise STAR Assessment

Lexia personalized digital program

Math:

Students receive standards-based curriculum designed to provide instruction that focuses on “concepts that are emphasized in the standards so that students can gain strong foundational conceptual understanding, a high degree of procedural skill and fluency, and the ability to apply the mathematics they know to solve problems inside and outside the mathematics classroom.” Math CCSS

Students use a variety of instructional materials in math to meet these instructional goals.

K-5 Math iReady workbook, Curriculum Associates

Math San Francisco Unified School District (online)

Dream Box personalized digital program

Science:

The district has adopted the Scott Foresman California Science program for Kindergarten through fifth grade. This program is used as a resource for teaching the California science content standards. Emphasis is on physical, life, and earth science, with investigation and experimentation a central focus of instruction. Integration of NGSS grade level standards occur through Benchmark Advance ELA-ELD core curriculum. District is in the building awareness phase of NGSS Standards.

Social Studies:

The district has adopted California Reflections published by Harcourt as a resource for teaching the California content standards in history-social science. The curriculum content at each grade level focuses on chronology, research evidence, point of view, and historical interpretation. Integration of Social Studies grade level standards occur through Benchmark Advance ELA-ELD core curriculum.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements

Twin Oaks Elementary opened in 1998 with 700 students, and we now have approximately 720 students. We stagger our lunch period to relieve crowding on the playground. Our 3 playgrounds have been rebuilt with new floors throughout the school. Our school includes seven buildings and eight portable classrooms. Together they accommodate approximately 830 people. We have 32 classrooms, a multipurpose room, a library, and an administration building. The facilities are in excellent condition and are maintained by a dedicated custodial staff.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	42	46	51	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent volunteers provide wonderful support to our classroom teachers. In addition to volunteering in classrooms, families are welcome to attend schoolwide events such as Family Fridays, Spirit Rallies and Spirit Days. Our school has an active Parent Teacher Organization, School Site Council and English Learner Advisory Committee. Parent input is encouraged and valued.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive Safe School Plan includes safe school procedures and compliance with laws including child abuse reporting, disaster response, suspension and expulsion policies, notification of teachers of dangerous students, sexual harassment, schoolwide dress codes, procedures for safe ingress and egress from school, procedures to ensure a safe and orderly environment conducive to learning, rules and procedures on school discipline pursuant to Ed Code sections 35291 and 35291.5, and lock-down procedures. A copy of the plan is available for inspection by the public.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2018-2019 school year, the elementary level focused professional learning on the continued implementation of state academic standards in English language Arts (ELA), English language development (ELD) and mathematics. Our district ELA/ELD leadership team received training in Tier I literacy and ELD grounded in formative, summative assessments, and differentiated instruction. Our Math cadre teachers received on-going professional development in math instruction and assessments. Teacher grade level leaders received support to deepen their understanding of effective Professional Learning Communities (PLC).

Various means of professional learning were offered: face-to-face workshops during the regular work day, during school breaks, after school as well as online sessions available for staff. Principals and ELA/ELD and math teacher leaders provided staff development during regularly scheduled staff meeting throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
